Hi Stephanie – I'm not aware of an analysis of the letter. I believe the letter was the analysis on the issue. If there are background memos or whatnot, I'm not sure why we would put those in the docket (if that's what is being contemplated). I also don't have the NJ program approval. I have a copy of the MOA, which I've attached along with Homebuilders.

Please give me a call if I'm misunderstanding your requests.

Thanks,
Alexis

Good Morning Alexis,

I am helping Kathy put together materials for the FR notice that we are trying to set up and I was wondering if you happen to have three documents we are looking for. We need PDF versions of the following:

-
-
-

Ex. 5 Deliberative Process (DP)

When you get a chance do you mind letting me know if you have this document.

Thank you in advance.

Sincerely,

Stephanie
